## YEARBOOK STAFF

## Illinois State University

Dear Graduate:

With pride, I congratulate you for completing requirements which have culminated in your becoming an Illinois State University graduate. As you join the ranks of ISU's alumni, I hope that the knowledge and insight you have gained from your collegiate experiences will serve you well in your future endeavors.

Although this year may mark the end of your formal education, learning is a life-long process. The hard work and effort you expended as a student is an excellent foundation for expanding your knowledge and skills as you pursue a productive and satisfying career. Your activities and successes will remain of interest to your alma mater, and we look forward to your continuing association with ISU.

In future years when you are reviewing your yearbook and reminiscing about your campus experiences, I hope that you will remember with fondness your days at Illinois State University.

Best wishes,

A handwritten signature in cursive script that reads "Tom Wallace".

Thomas P. Wallace  
President

*The Beauty of  
Illinois State University*

Illinois State University is seen as one of the most beautiful campuses in Illinois higher education. After a four year stay at ISU, students take for granted the beauty, but as you look back to ISU, these scenes will be ones you most remember.

**Clockwise from lower left:** The Quad, "Hand of Friendship" statue (located in front of Hovey Hall), the new Student Services Building, Cook Hall, Watterson Towers, the Bone Student Center, the Quad, the Student Recreation Building, Milner Library.

## Highlights of your year! *Do It Yourself*

The 1992-93 yearbook has been completed. However, some of you may feel that you were not adequately covered in the yearbook. You are probably right.

Therefore, the ISU yearbook staff would like to dedicate this page to you. With over 18,000 students on the Illinois State University campus, it is virtually impossible to capture everyone's activities. All we as a staff can do is hope to hit a few highlights of the year. The rest is up to you.
